Newsletter April 2023

Hello Friends of Blue Hat

This has been a tremendous quarter of growth for us, in so many ways. We have increased the amount of people we are able to serve and the ways we can support them. We have felt so much generosity from the community as people catch our vision and decide to partner with us!

Great News! Pennies from Heaven has issued us a matching grant!! \$50,000 for both 2023 and 2024. If you have been considering giving financially - right now - all gifts will be doubled! We are so grateful for this opportunity. Many of you have already heard and responded with generous gifts. Including the ladies at Women Who Care of Mason County, who selected us for their quarterly donation!

Thank you!

We are in need of some qualified individuals to help us by committing to be members of our Board.

“I chose to serve on Blue Hat Ministry’s board because I see it as an essential service that provides help to those in our community who need it the most!” - Jonathan Smalley, President of the BHM Board

JOHN, S JUNE 2ND @ 6PM CHEF
EVENING OF FINE DINING

Looking forward to our annual fundraiser
THIS EVENT REQUIRES AN RSVP!

If you would like an invitation please contact us at 231-690-7965. We could also use some volunteers interested in helping with decorations, flowers and serving food and drinks that night

On a personal note, our Blue Hat family suffered some major losses this year as both my father and my father-in-law passed away at young ages this winter. Our prayer is that these sad days will transition with the spring and reinvigorate us for our work with adults that are forgotten in our county. Both these men supported Blue Hat Ministries and thought of those that are hurting and dejected. My heart is heavy, but God lifts my head each morning and strengthens me to keep serving. I know these fathers are looking down at our work and are proud.
